No. UFP/183/2016

Prague, 9.3.2016

**Statement from the director of the institute on the revision of the final report
of the Commission No. 8**

I appreciate the effort that the Evaluation Commission No. 8 has devoted to the re-assessment of the Institute of Plasma Physics CAS and the Materials Engineering department (ME) in the period 2010-2014. The Commission has taken most of our reservations into account and I concur with observations and recommendation in the revised final report.

RNDr. Radomír Pánek, Ph.D.
Director
