## ONE-YEAR SCHOLARSHIP POSTGRADUATE STUDIES IN BAVARIA

In-depth specialist knowledge, the ability to work in an interdisciplinary way and international experience are essential requirements for academics in Europe today. Postgraduate studies abroad can complement and enhance qualifications acquired during undergraduate studies, while also making an important contribution to personal development. Thus, you will be better equipped to meet the challenges of practical work, scientific research, and theory.

The Free State of Bavaria awards one-year scholarships to higher education institution graduates from Bulgaria, Croatia, Czechia, Hungary, Poland, Romania, Russia, Serbia, Slovakia, and Ukraine who have chosen to pursue postgraduate studies in Bavaria.

Funding is available for postgraduate studies, research stays and PhDs at state and state-funded higher education institutions in Bavaria. Most importantly, you need to make it clear to us in your application that your postgraduate studies have a meaningful connection to your undergraduate degree and that it will bring you closer to your professional goals.

The aim of the one-year scholarship program is to promote academic cooperation and student exchange between Bavaria and Central, Eastern and Southeastern Europe.

We look forward to receiving your application!
