

TANDEM – CAS Application

Project proposals must be submitted in English (preferably) or in French.

As you complete the project proposal, **your data is continuously and automatically saved**. It is therefore not necessary to complete and submit the project proposal in one session. You can find all your proposals (including those in progress) in the section "**Project proposals**".

Project title

Keywords

Short annotation (max. 600 characters including spaces) of your project

Duration of project

From 2026-02-01

To 2028-01-31
